

12. The isolated protein of claim 11, wherein said protein is a recombinant protein.--

Remarks

Enclosed herewith in full compliance with 37 C.F.R. 1.821-1.825 is a Substitute Sequence Listing to be inserted into the specification as indicated above. The Substitute Sequence Listing in no way introduces new matter into the specification.

The insertion of the word "chicken" prior to "villin" (see page 8, line 21) is intended to clarify the description of Figure 2. It is supported by a reference in the specification to Bazari et al., *Proc. Natl. Acad. Sci. U.S.A.* 85:4986-4990 (see page 24, lines 19-20). The amendments in no way introduce new matter into the specification.

New claims 10-12, which are drawn to disclosed subject matter not previously claimed, have been additionally added. These new claims in no way add new matter to the specification.

Finally, in full compliance with 37 C.F.R. 1.821-1.825, Applicant request that the disk copy of the Substitute Sequence Listing, filed in parent Application No. 08/669,286, on July 31, 1998 as file 230-110.sub be transferred to the present application.

The disk copy is identical to the paper copy, except that it lacks formatting.

Entry of the above amendments is earnestly solicited. An early and favorable first action on the merits is earnestly solicited.

Should there be any outstanding matters that need to be resolved in the present application, the Examiner is respectfully requested to contact MaryAnne Armstrong (Reg. 40,069) at the telephone number of the undersigned below.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 02-2448 for any additional fees required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17; particularly, extension of time fees.

Respectfully submitted,

BIRCH, STEWART, KOLASCH & BIRCH, LLP
